## TERMS AND CONDITIONS OF USE

- Your card is a proximity card and need only be raised to the reader with the red light for it to register on parking equipment.
- the card has anti- passback active , as such you have to exit in order to enter. Should the booms be open on entry or exit please ensure that you still swipe your card against the reader to register that you entered / exited.
- Your card will be activated from the date of collection and can immediately be topped up at the auto pay station.
- You cannot exit with it on the same day as purchased.
- You cannot enter with it if you have not already loaded a value to the card.
- when scanning at the Auto Pay station it will show a maximum limit of R500.00 can be loaded on the card. This means you can load any value up to a maximum of R500.00.
- In the event of loss of the card , please notify us immediately via email- parking@clearwatermall.co.za or facsimile 086-609-9228.
- should You wish to have a replacement card you will be required to pay a replacement card fee at our cashier at information desk entrance 2. Please retain your receipt and forward a copy as proof of payment. Please note you will be advised either by email/ sms or phonecall when your card is ready for collection.
- For queries or issues with your card - please call Centre Management Monday to Friday Office hours 8.30am -5pm alternatively you can email - parking@clearwatermall.co.za.
